

UAE-Qatar Linguistics Olympiad

Remote (proctored), 25th April 2026

Answer Submission Guidelines and Competition Rules

For all questions, provide only the answer required by the problem in a concise manner. Any unnecessary explanations or solution processes will not be graded.

Answers must be entered in the specified format. Responses that do not follow the required format may be marked incorrect.

Any unanswered question will receive zero points. This competition is scored based on the number of correct answers; there is no penalty for incorrect answers.

The exam will be conducted via Google Forms, and participants should enter their answers on the page corresponding to each question.

The exam may only be taken and submitted within the designated time. Submissions after the deadline will not be accepted, and no modifications can be made after submission.

Once submitted, responses cannot be changed. Please ensure that all answers are carefully checked before submission.

Due to the nature of an online exam, the organizers are not responsible for any disadvantages caused by internet connectivity issues or device malfunctions.

Please note that refreshing the page or closing the browser during the exam may result in loss of unsaved responses.

During the exam, all forms of academic misconduct are strictly prohibited, including but not limited to the use of external resources, communication with others, and the use of generative AI tools.

If any misconduct is detected, the participant's submission will be immediately disqualified, and future participation in the competition may be restricted.

Unless a question explicitly requires multiple answers, participants must provide only one answer per sub-question. If multiple answers are provided where only one is required, the response will be marked incorrect even if one of the answers is correct. When multiple answers are required, they must be listed and separated by commas, following the instructions given in the problem.
